YARN

10 skeins of **Príncipe Real** from Heritage by Rosários, in **color 17**.

GAUGE

21 sts and 28 rows - 10x10 cm (4x4") in stockinette stitch on 3.5 mm needles, washed and blocked. It is important to wash and dry the swatch, as the stitch count may change after the first washing.

NEEDLES

3 mm and 3.5 mm (US 3 and US 4) circular needles with an 80 cm (32 in) cable; if you prefer to avoid the magic loop for the sleeves and neckline, you will need 5 double-pointed needles or mini circular needles with a 20 cm (8 in) cable in the same sizes. Adjust needle size if necessary to match gauge.

NOTIONS

Stitch markers, tapestry needle, waste yarn.

FINAL MEASUREMENTS

126 cm/ 49 1/2" of bust circumference (see final garment measurements in the schematic); these measurements include approx. 5 cm/ 2" of positive ease at the bust.

This t-shirt is worked top-down, seamlessly, using the contiguous method. We begin by working the fronts, back, and shoulders (worked in the lace pattern) simultaneously, while making increases along the shoulder line. Next, we cast on stitches for the neckline and join to work in the round, continuing with the shoulder increases. We then move on to the sleeve increases, continuing to work the body (fronts and back) in the round. At the underarm, we place the sleeve stitches on hold and continue to work the body in the round. Finally, we return to the held stitches and work the sleeves top-down. At the end, we pick up and knit stitches around the neckline to work the ribbed collar. Please note that the lace pattern is provided in charts only.

INSTRUCTIONS

With larger needles, long-tail cast on 74 sts. Work a setup row: p1 (front), **pm**, p18 (shoulder), **pm**, p36 (back), **pm**, p18 (shoulder), **pm**, p1 (front).

Note: start chart A1 on the corresponding round, which is the round after the last row worked from chart A. Charts A and A1 are identical; chart A is worked flat (rows) and chart A1 is for working in the round. For example, if the last row worked from chart A was row 3, start chart A1 on round 4.
