YARN: 2 skeins of Alfama in color 49 - color A;
4 skeins of Marvila in color 116 - color B;
3 skeins of Alfama in color 21 - color C;
3 skeins of Alfama in color 37 - color D.

GAUGE: 21 sts and 26 rows = 10 x 10 cm [4 x 4"] in stockinette stitch with 3 mm needles, washed and blocked. It is important to wash and block your swatch as the stitch count may change after the first wash. While gauge is not crucial for this project, differences in gauge may affect the final measurements and the amount of yarn required.

NEEDLES: 3 mm [US 2.5] circular needles with 80 or 100 cm [32 or 40"] cable. Adjust needle size if necessary to obtain the correct gauge.

PART 3

Note: do not cut color B along the shawl stripes; carry the yarn up the selvedge. While knitting the rosinhas with another color, at the beginning of each (RS) row, twist color B yarn over the working yarn, always in a clockwise direction. When resuming color B, take care to adjust the yarn, but without pulling too tight so as not to pucker the selvedge.
