YARN

1 skein of **Invicta** by Rosários 4, **color 29**.

Note: 1 skein is enough for 3 Scarfs.

NEEDLES

3.5mm knitting needles.

Crochet hook for finishing (picot edge).

INSTRUCTIONS

Cast on 170 stitches and knit 4 rows.

On the fifth row, decrease 5 stitches at the beginning and continue decreasing in this manner.

After 5 rows, make a buttonhole on the side where no decreases were made.

SHELL

Work 7 stitches and bind off 6, which are picked up on the next row.

As you continue working, decrease stitches on each row; at the end, after the 5th buttonhole, you can decrease 7 (so the point isn't too large).

At the end, bind off all the stitches on the hook.

FINISHING

Finish with a picot all the way around.

PICOT

Chain three and work two fluffy double crochets, then fasten off with a single crochet in the next space—and so on, all the way around.

How to use: thread the edge of the shawl through the openings you've created to form a ruffle.
