GAUGE

15 sts and 10 rnds – 10 x 10 cm in rnd 2 of BODY with 4 mm hook (US G-6), washed and blocked (it's important to wash and block your swatch to get the correct gauge).

HOOKS

4 mm (US G-6) hook.

NOTIONS

1 Stitch marker.

SIZE

One size only. The cowl is highly adaptable, and adjustment notes are provided in the pattern.

FINISHED MEASUREMENTS

a. 64 cm / 25.25" cowl circumference.

b. 24 cm / 9.5" cowl height.

To obtain a different size you may consider adjusting the amount of material used.

NOTES:

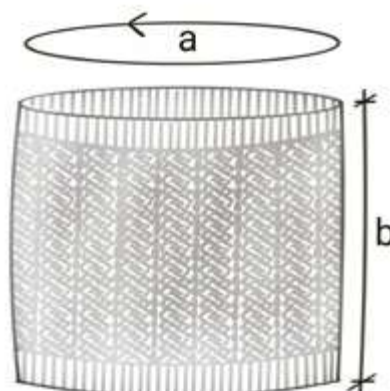

- This cowl is worked bottom up, in the round, and each round is joined with a slip stitch. Join with a slst in the top of the beginning 1–3 ch, unless otherwise specified.
- Use a stitch marker or a piece of waste yarn to mark the first stitch of each round.
- Beginning 3 ch counts as first dc, unless otherwise specified.
- Beginning 1 ch does not count as a stitch.
- Pattern uses US crochet terms.
- To obtain a foundation chain that is not too tight, use a larger hook (e.g. start with a 4.5 mm hook, then continue with 4 mm).
- It is strongly recommended to weigh your yarn at the beginning to adjust the size and minimize leftovers. After crocheting 4 cm of ribbing, weigh your yarn again and reserve the same amount for the upper ribbed edge.
- The fantasy stitch is a multiple of 10 sts plus the turning chains. Keep this in mind if you wish to modify the circumference.
- The pattern is accompanied by a chart.

My inspiration comes from grape clusters and thick brushstrokes, like petals – natural textures, full yet orderly.

Fronda finds balance between volume and space, between what is woven and what remains in the air, combining cables and puff stitches with the spaces that separate them.

GENERAL INFORMATION

About the pattern: This cowl is worked bottom up, in the round. You will start by working in ribbing stitch, then continue with the Fronda fantasy stitch. It is finished with ribbing at the top, mirroring the base.
