PART 4

Note: At this point, the wrap should measure 82 cm from the cast-on edge (42 cm from the last buttonhole), with 22 rows left to knit before reaching the first buttonhole on the left edge. The final length of the wrap is 130 cm, distributed as follows: 40 cm from the cast-on to the last buttonhole on the right edge, 50 cm in the central section between the buttonholes, and 40 cm from the first buttonhole on the left border to the bind-off. If you wish, you can adjust the final length of your wrap by knitting more or fewer repeats of the lace pattern in the central section.

Work in lace pattern and make buttonholes on the left edge as follows:

Row 1 (RS): K2, (p1, k1) rep to marker, slm, p1, (yo, k3, skp, k4, p1, slm) x 8, (k1, p1) rep to last 2 sts, k2.
