German short-rows:

On right side rows: knit to turning point; turn and slip the first stitch purl wise with yarn in front, bring yarn over the needle to the back of work and pull tight - this creates the double stitch (DS). Bring yarn between needles to front of work to begin purling.

On wrong side rows: purl to turning point; turn and bring yarn to front between needles, slip the first stitch purl wise; bring yarn over the needle to the back of work and pull tight - this creates the double stitch (DS); begin knitting.

On following rows/rounds work DS as single stitches, knitting or purling both legs of the DS together.

ECOTTON

(100% Organic Cotton)

Made with Ecotton, an organic yarn with natural dyes, this sweater has the charm of a game of contrasts: plain in the front (stockinette stitch) and lace on the back; shorter in the front and longer on the back, with rounded and organic lines – in tune with the yarn used.
