## NOTIONS

## GAUGE

21 sts and 33 rows - 10x10 cm in lace stitch with 3 mm needle, washed and blocked (it's important to wash and block your swatch in order to get the correct gauge).

## SIZE

L.

## FINISHED MEASUREMENTS

137 cm final bust measurement, already including the 25 cm of positive ease (refer to schematic for more measurement).

## INSTRUCTIONS

This is meant to be a loose-fit sweater with approximately 25 cm of positive ease, so pick your size accordingly. The sweater is worked seamlessly from the top down. Starting at the neckline you will increase at the shoulders to start shaping the front and the back panels. From there you will reposition your markers and start increasing to form the sleeves. Sleeve stitches will be put on hold while you continue to work the rest of the body of the sweater. Once the body has been completed you will pick up your sleeves stitches and knit your sleeves decreasing towards the cuff. The lace chart instructions are both charted and written.

## BODY

Cast on 142 sts, and join to knit in the round, making sure that the cast on edge is not twisted and place beginning of round marker (BOR). Work the neckline:

At the end of row 14 you will have 7 new sts between the shoulder markers and the chart repeat markers for the front and back panels, therefore adding enough stitches to add a new repeat of the lace to either side of the front & back panels. Continue working in the established increase pattern until you have worked a total of 35 increase rounds, ending with 21 full repeats of chart C on the front & back panels. Take note on which rnd of chart B & C you ended before moving onto next section.

[4 sts on either shoulder; 148 sts for front and back]

Jardim is a versatile yarn - its thickness and composition of cotton/wool will adapt well to both spring/summer and autumn/winter creations. It's easy to knit and works beautifully with the classic stockinette stitch as well as lacy ones, as we can see in this sweater.
